what are SPECIAL FORMULAS?

Formulas are specific sets of affirmations, sounds, or techniques used for producing subliminal content. Subliminals are audio or visual stimuli that are intended to positively influence the subconscious mind. Subliminal messages are designed to bypass the conscious mind to deliver positive affirmations or messages directly to the subconscious.

Subliminal formulas may vary depending on the creator's approach. Some creators may opt for a straightforward approach, while others develop or come up with more detailed formulas, incorporating research-based content to enhance the effectiveness of their work.

Both simple and detailed subliminals have **PROVEN** to be effective in producing results. It simply *depends* on the user's *personal preferences and desires*

Law & Order

This formula helps you determine what truly matters to you, distinguishing your genuine desires from the distractions or limitations. You will create/develop and establish a strong connection with your dreams and goals, whether you're aware of it consciously, subconsciously, or even unconsciously.

By embracing Law & Order formula, you open yourself up to **RECEIVING, ACHIEVING, AND MANIFESTING** your desires in *noticeable* and *evident* ways. You'll witness positive changes unfold in your life, bringing you closer to your goals and aspirations.

These affirmations are ***positive statements*** that can help you understand and determine what you really want in life. They work on different levels of your mind – consciously, subconsciously, and even unconsciously – so that you can establish a deep connection with your desires. This formula aims to build a strong and unwavering belief in positive

messages. This helps the subconscious mind align with your desires/goals and manifest desired changes more effectively.

Mirror

This extraordinary formula is specially designed to act as a powerful booster for mirror-image techniques, particularly when used in relation with manifestations and Carbon Copy “look-alike” subs.

Mirror Formula is designed to address *limiting beliefs*, empowering you to liberate yourself from the restraints that hinder your progress. By removing these barriers, you can unlock your **FULL POTENTIAL** to achieve what you desire.

One of the key components of this formula is the ***Art of Detachment***. It guides you in cultivating a mindset of letting go of restrictions and doubts, enabling you to trust in the process and embrace the flow of manifestation. This empowers you to completely **RELEASE** any resistances and **INVITE** or **EMBRACE** the effortless reflection of your desires.

In addition, Mirror formula provides detailed affirmations specifically tailored for the mirroring technique. These affirmations are designed to align your subconscious mind with your conscious intentions, creating a harmonious resonance that amplifies the manifestation process.

By consistently using these affirmations, you can enhance your ability to mirror your desired results and bring them into your reality!
